By entering an "X" in the box to the right I agree to the following terms: I am applying for the Power4Vets Training Scholarship, which covers the \$8000 (retail cost) of simulation training provided by IncSys; During my personal job-search, IncSys will be the exclusive professional placement agency that will represent me for employment in the energy grid operations field for the duration of the training and for six months after achieving NERC Certification; During my employment search, I will communicate with an IncSys placement specialist to maximize my opportunities; Upon accepting a job offer, I will notify IncSys so that my placement can be counted for the US Department of Energy workforce training project.

Privacy

Application Privacy Statement

All information contained herein and in the supplementary documents is treated confidentially. IncSys will not share any information without consent from the applicant, except in the following circumstances. (1) Reporting the name of the applicant in our quarterly Department of Energy progress reports, (2) upon initiation an internship or job as a result of placement activities of IncSys, IncSys may share this information with potential employers, or (3) by consent of the applicant. By applying to the Power4Vets Program, you signify that you accept these terms.
